

9 May 2025

Dear Sir/Madam,

I am writing to recommend Chew Cheng Xun Nathan for his application to the Mass Media Management course at Nanyang Polytechnic. As his Drama CCA teacher, I have had the pleasure of working closely with Nathan over the past four years at Holy Innocents' High School.

The following observations are based on my interactions with Nathan during his time with us.

### **Character and Personality**

Nathan is sociable and outgoing. Throughout his time in Drama CCA, he consistently demonstrated enthusiasm and energy in all activities, including story writing, set and props development, lighting and sound operations, performance rehearsals, and training in physical and vocal skills. He possesses strong interpersonal and time management skills. His diplomatic and empathetic nature enables him to give and receive feedback effectively, and he is quick to build rapport and foster an inclusive and supportive environment among his peers.

### **Contributions and Leadership in CCA**

Nathan was an active member of the Drama Club from 2022 to 2025. He took on several acting roles in major productions, including NDP 2022, SYF 2023, NDP 2023, CNY 2024, and SYF 2025. He also willingly took on the role of emcee for the School Open House 2024, showcasing his versatility and confidence.

From 2024 to 2025, he served as the Stage Manager, overseeing backstage operations, stagecraft, and performance logistics. Nathan took the initiative to lead warm-ups and training sessions and regularly shared drama techniques with other members. His collaborative spirit and strong leadership enabled him to contribute meaningfully to both school and external productions, including the 2023 and 2025 Singapore Youth Festival Arts Presentation for Drama and the 2024 external performance at Goodman Arts Centre's Black Box Theatre, where he performed in *The Silly Girl and the Funny Old Tree* by Kuo Pao Kun.

I have no reservations in giving Nathan my highest recommendation for the Early Admissions Exercise. I am confident that he will thrive in both academic and non-academic areas. Please feel free to contact me should you require any further information regarding his character or capabilities.

Thank you.

Yours Sincerely,

Ms Lau Mei Tong
